Children's Choice is offering emergency childcare for the extended spring break if anyone out there is in need. Price is \$135 per week or \$36 per day. Current CYFD contracts will be honored for this emergency childcare.

A message from A Gold Star Academy and Smiling Faces:

A Gold Star Academy and Smiling Faces are proud to announce we will remain open and continue to provide high quality services to all families. We are opening enrollment for slots ages 6 weeks to 12 years old.

In response to the growing need of quality childcare we are opening our Largo and Crouch Mesa facilities for First Responders to allow them to continue working and serving our community. We will take children on a sliding fee with a \$0 tuition as soon as available

We are working with CYFD to open additional facilities throughout the community to assist those families with school age children up to 12 years old.

Please email gsatedrow@msn.com with your child's age and a good contact number. We will return phone calls in the order we receive the emails.

A Gold Star Academy and Smiling Faces is committed to keeping our community thriving while providing the highest quality of care and meals for our children.
